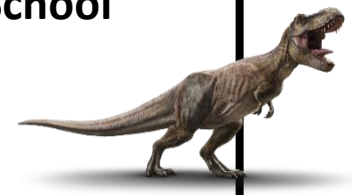
Anderton Primary School

Spring Term 1

Year 1

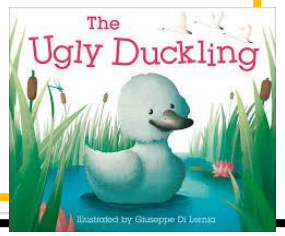
Extinct, Endangered, Existing!



English

Recounts

Traditional Tales



Maths

Addition and Subtraction within 20

Place Value within 50

Multiples of 2, 5 and 10

Measurement – Length and height

Measurement – weight and volume

Computing

<u>Online Safety</u> The children will learn how to publish their work onto a learning platform and the impact of their comments in social media.

<u>Maze Explorers</u> The children will learn how to give a set of algorithms to direct a blue bot to a given location.

RE

<u>Judaism</u>

In this unit the children will explore the Jewish belief in their special relationship with God. They will focus on God, the Torah and the people of the land.

Science

<u>Other common animals</u>

In this unit the children will identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals. They will identify and name a variety of common animals that are carnivores, herbivores and omnivores and describe and compare the structure of a variety of common animals.

Music

<u>Cheranga – Into the Groove</u>

In this unit the children will learn and appraise different styles of music and to recognise the pulse, rhythm and tone of the song as well as the instruments that are played.

PE

<u>Dance –</u> The children will learn to dance to a theme and copy a simple routine.

<u>Games –</u> The children will learn to kick a ball with control and aim towards an end target.

Art

<u>Printing</u>

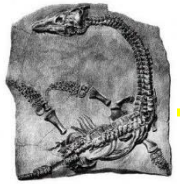
The children will learn how to make marks using natural objects and to explore natural printing marks in the local environment. The children will learn how to make rubbings and look for patterns in the environment.

PSHE

<u>Relationships Baseline and friendship</u>

The children will learn about what makes a good friend and how they can display such qualities.

History

<u>Significant person from the past – Mary Anning</u>


The children will learn about Mary Anning and the impact of the discoveries she made in the past!
