Who are the teaching staff?

Weekly Timetable

Monday	Tuesday	Wednesday	Thursday	Friday
book change	book change	book change	book change	book change
Forest School	Mr Tilley's PPA (AM)		PE lesson	PE lesson
			homework marked	homework assigned

A book will be changed when it has been read and the reading record has been signed.

What happens when?

Learning becomes more formal with whole-class carpet and table work. Lesson activities are planned carefully to transition the children from the continuous provision in Reception.

Children progress onto the National Curriculum and are assessed against age-related expectations: working below, at or above the expected standard.

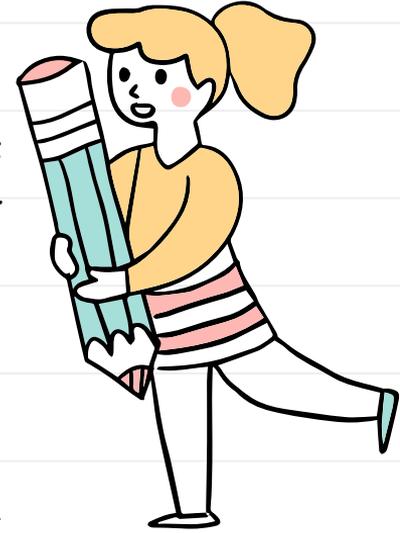

Expectations will increase for independence, concentration & behaviour.

English and Maths homework is assigned weekly.

In June, the week beginning the tenth, your child will sit the statutory Phonics Screening Check. It assesses children's ability to decode words. There will be a meeting for parents/carers in September.

Your child may need support to cope with this change at first.

What's new?

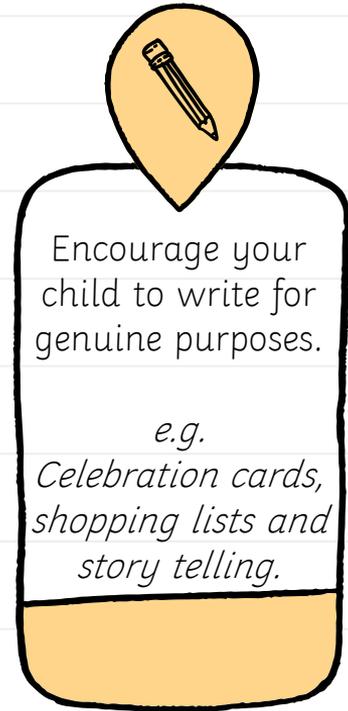

Read with your child at least five nights a week: listen to them read, read to them and talk about what you are reading.

Extremely important!

Practice oral blending with your child.

e.g.
"Please pick up your s-o-ck."

Encourage your child to write for genuine purposes.

e.g.
Celebration cards, shopping lists and story telling.

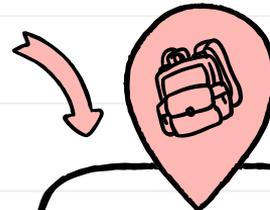

What can I do to help?

Enable your child to apply their maths learning in the real world.

e.g.
Counting plates to set the table.

Please put your child's name on every item of clothing.

Practice getting dressed and undressed with your child in preparation for our PE lessons.

Support your child with their homework and make it a positive experience by adopting a growth mindset.
