

English

- The Iron Man by Ted Hughes – Narrative
- An Alternative to Plastic Straws: Stroodles – Persuasive Advert

Maths

Spring Term

- Multiplication & Division
- Length & Perimeter
- Fractions
- Decimals

Computing

Repetition in Shapes

Create programs by planning, modifying, and testing commands to create shapes and patterns. They will use Logo, a text-based programming language.

YAHOO!

Aol.

RE

Sikhism

- Explore how Sikhs convey their beliefs and commitments in the way they live their lives.
- Understand the Sikhism god-based approach to their beliefs.

Science

States of matter

Compare and group materials together, according to whether they are solids, liquids or gases.

Observe that some materials change state when they are heated or cooled, and measure or research the temperature at which this happens in degrees Celsius (°C).

Anderton Primary School

Spring term

Year 4

We Create!

Forest School

Mrs Lea will be taking the class outside to take part in forest school activities. These activities will be linked to our science unit of Animals and Habitats.

PE

Handball

- Apply simple tactics for attacking and defending.

Dance

- Be able to dance to a count of 8
- Demonstrate good timing and unison skills
- Follow a routine from memory

Art

European Art

- In this unit the children will learn about the artist Anselm Kiefer and draw and paint the textures of broken buildings in his style.

PSHE

Growing and changing

- identify the different types of relationships we can have and describe how these can change as we grow
- Explain how our families support us and how we can support our families
- Identify how relationships can be healthy or unhealthy

Geography

Europe and Volcanoes

In this unit, children will learn about the world and how it is represented on maps. Children will discover the different countries and capital cities of Europe.

Children will learn about plate tectonics, earthquakes and volcanoes.
