Introduction to Vector Graphics

The children will use different
drawing tools to help them create
images.

Selection in Quizzes

The children will learn how to write
programs that ask questions and use
selection to control the outcomes
based on the answers given.

RE

Christianity - Church

The children will investigate; How
do people decide what to
believe?

Judaism

The children will investigate; Do
people need laws to guide them?

Science

Properties of Materials.

In this unit the children will compare and group
together everyday materials based on their
properties, know that some materials will
dissolve in liquid to form a solution, use
knowledge of solids, liquids and gases to decide
how mixtures might be separated and explain
that some changes result in the formation of
new materials.

Computer Safety - Image Sharing /Adult and
children's views

A World without judgement – Inclusion &
Acceptance/Adult and children's views.

The Working World- Enterprise.

PE

Athletics

In this unit the children will focus on
developing their tactical understanding
of athletics.

Striking and Fielding

In this unit the children will develop
their understanding of different roles:
bowler; batter; fielder; wicket-keeper.

ART

Sculpture

In this unit the children will describe
the different qualities involved in
modelling, sculpture and construction
and will use this knowledge to use
recycled, natural and manmade
materials to create a sculpture.

Music

Ukulele

In Music, the children will listen,
appreciate, play, perform and
compose a variety of music.

History

Britain's Settlements

In this unit the children will learn about
the Viking and Anglo-Saxon struggle for
the Kingdom of England to the time of
Edward the Confessor. They will use
timelines to compare time periods of
Scots, Anglo Saxons and the Vikings and
explain what life was like for the Scots,
Anglo-Saxons and the Vikings and how
it is different to life now.
