Ella Swift

Year 5
Emily Zhang

Year 6
Jamie Owen

GENERAL UPDATES AND NEWS

Open afternoon / evening

Do you know anyone who has a child due to start school in September 2022? Please let them know that we are holding an open afternoon and evening on Wednesday 20th October. Further details can be found on the school facebook page and an advert will be going out on class dojo and around the local area shortly.

Covid

The updated Covid-19 risk assessment can now be seen on the school website. Please continue to be vigilant regarding symptoms and inform school of any positive cases or isolation periods within the family. How we respond to positive cases in school has now changed. Whole classes/ groups will no longer be sent home due to a positive case being identified unless 5 or more cases are confirmed.

Medical Tracker

We are now using medical tracker in school where we can store information of accidents and injuries which occur in one central system. Letters are automatically generated and emailed to parents when an incident is recorded. In the case of a more serious incident parents would still be notified via phone.

Parking

Following a few complaints from school neighbours please can I remind parents to park with consideration to residents. I appreciate parking is limited around school, please consider parking a little further away and using the rec entrance if at all possible.

Millie Ashworth

What's been happening this week in Reception

This week Reception have been exploring their new classroom and outdoor area. They have enjoyed getting to know their teachers and new friends in class and have all settled in so well. They have been singing songs, sharing stories, making models and painting pictures of themselves and their families. They have also really enjoyed riding the bikes and building dens outside. Miss Gallagher, Mrs Lea and Miss Duddle are all super proud of how well they are doing already! What a great week! 😊
