## **Curriculum news -What wonderful learning have we been doing?**

Reception: We have been celebrating Nursery Rhyme Week by learning a rhyme a day!

Year 1: We have been investigating toys from the past and comparing them to our new toys.

Year 2: We have been using historical resources to find evidence about Christopher Columbus.

Year 3: We have been really enjoying writing our fables about not being boastful. We have also consolidated our understanding of addition and subtraction ready to start learning multiplication and division.

Year 4: We have been designing a Chinese shadow puppet theatre, problem solving using column addition and subtraction and gathering content for our Fantastic Beasts story.

Year 5: We started the Dove Self Esteem Project. This involves looking at images we see in professional and social media and how these can be altered to create an image of 'perfection'

Year 6: We have been designing our Christmas decorations in DT and finding out how the population of the USA is distributed and why.

**PE Kits** – Please can we remind children and parents that all PE kits should now be in school. There are still a couple of children who don't have kit in school. Children may also now bring in winter kit consisting of black jogging bottoms and a black/ dark zipped hoody. Thank you for your co-operation with this matter. Any questions or problems please speak to Miss Dervish.
