Nature and field journals - observations over time of seasonal changes, plants, weather and length of day	Master basic movements and begin to apply these in a range of activities. These activities must include team games and performing dances. Lancashire KS1 PE scheme of work would support children's learning in PE.	Whenever children are engaged in electronic communication, establish and reinforce messages about using technology safely and responsibly.	Spelling and handwriting should be taught discretely. Refer to the key learning in writing document for progression guidance.
