Curriculum news -What wonderful learning have we been doing?

Reception: We have been learning all about Autumn. We made our own hedgehogs and wrote about them.

Year 1: We have had a super time visiting Adlington and carrying out a traffic survey. A member of the public commented on how well the children were behaving.

Year 2: In science we have completed several different exercises and observed how they affect our bodies.

Year 3: We have been learning all about greetings in French and in geography lessons we have investigated how Adlington used to look.

Year 4: We have been journalists in Year 4 this week. WE have published a school newspaper article about a boy in a dress.

Year 5: We have been learning about six figure grid references and improving accuracy using maps.

Year 6: We have been using historical sources to prove statements about the Vikings. They weren't that bad after all!
