

## Communication and Language

This half term we will be developing our listening skills and practicing how to follow instructions with more than one step. We will continue to develop our vocabulary and extend our sentence starters. We will listen to stories and discuss what may happen next and how a story could end. The teachers will be challenging us by asking lots of "how" and "why" questions so we can describe things we have heard or seen.

## Personal Social and Emotional Development

This half term our focus will be "Perseverance". We will share stories and our own experiences about perseverance. We will have regular circle time in class to reflect on our actions and discuss our thoughts and feelings.

## Physical Development

Children will take part in two PE sessions a week on Tuesday and Thursday. This half term our focus will be jumping, skipping and throwing.

The children will continue working on their fine motor skills through daily activities and provision in the classroom.

## Understanding the World

- E-safety
- Body parts and how we grow
- Old and new buildings
- St. George's day
- Hospital, Fire station and Police role play
- Islam – Eid

## Anderton Primary School

Summer Term 1

Reception

Dare to Dream!

## Expressive Arts and Design
