Discussion Text

## Maths

2D and 3D shape

Statistics

Measurement

## Computing

Online Safety – Is it cyberbullying?

What is cyberbullying and what can you do to stop it?

Computer Science

Programming: Crumble board

## RE

**In what ways is life like a journey?**

Islam

Focus Question:

What should our attitudes be on our journey?

## Science

Electricity

We will be exploring circuits, using circuit symbols to represent different components of a circuit. We will investigate variations in how components function within a circuit and explore how voltage affects this.

## Anderton Primary School

**Summer Term 1**

**Year: 6**

**Dare to Dream**

## Music

Music and Me

Children will be invited to try out different ways of making their own music, while exploring the work of some of the most influential women in music over the last 100 years

## PE

Rounders

We will be learning the rules of rounders and practising skills for fielding and striking.

Netball

Children will learn the different skills and passes involved when playing netball.

## DT

Robot Creations

Children will design, create and evaluate robots to program next half term in computing.

## PSHE

Keeping Myself Safe

Children will explore the importance of having their emotional needs met, the rules around sharing personal information and images on mobile phones, and the norms and risks involved with alcohol.

## History

Titanic

Children will learn about the tragedy of the Titanic. We will explore the timeline of events, as well as the class system on board and how this affected the mortality of the passengers.
