

Year 1 Homework Activities

Summer Term 1

These are ideas that you can complete with your child to support their learning linked to our topic in school. Please sign and date each one as you complete them. Please bring any work, models or pictures into school on Thursday.

REMEMBER – Do as much or as little as you have time to – I’m not expecting grand master pieces!

Find pictures of landmarks in London, which is your favourite?

Complete a daily weather chart for a week.

Pack a suitcase for a hot and cold holiday. What is the same and different?

Create some directions for a family member around the house to find some hidden treasure.

Create a map of your bedroom – can you use a key for certain objects?

Dare to Dream!

Build a structure of a landmark you have visited. Use junk materials around the house.

Look at the members of your family, what do you value about each of them?

Research an event where there has been severe weather e.g. flooding, snow, drought!

Have a day trip out to a UK city. Compare it to Adlington!

Don't forget your daily homework!
