

**Homework** will be for this half term; the children are asked to bring one completed piece in every Friday to share with the class. Team points will be awarded for each piece completed.

### Science

Make a healthy eat-well plate: draw it, create it or design it on the computer. What food would you like to eat from each section?

Make a diary for a week, listing the 5 fruit or vegetables you eat each day.

### Art

Research mosaics: where did they originate and when were they first made? Are they always made from the same things? Etc.

Create the colosseum. You can bake it or make it.

### Music

Tell your parents/grown-ups about you favourite song we are going to perform, giving reasons. Can you perform it for them?

### English-

Choose a section from one of your favourite stories and rewrite it as a play script. Who are your characters? What are they saying? Can you add stage directions?

### Computing

Use your touch typing skills to create a advertisement for something you love to do. Sell it to your friends. It can be a hobby, toy, a job you inspire to have. The choice is yours!

## Year 3- Dare to Dream

You can email any videos, pictures or work to [Year3@anderton.lancs.sch.uk](mailto:Year3@anderton.lancs.sch.uk)

### Spellings

Test your grown-ups with your spelling list, don't forget to include a mystery word and common exception word. Do they score 7 out of 7?

### Maths

Time- write a recount of your day including time. How long did each activity take? What time did it start/finish?

Fractions- list as many equivalent fractions as you can.

Shapes- Find different shapes around your house and list them in your homework book e.g. mirror-circle

### History

Find a Roman recipe and have a go at cooking it with a grown-up.

Write the Roman numerals in your homework book. Can you match them to the English numbers?

### PSHE

Write about your best friend. Why are they your best friend? Make a list of things you like about them.
