

## Year 1 Homework Activities

Summer Term 2

These are ideas that you can complete with your child to support their learning linked to our topic in school. Please sign and date each one as you complete them. Please bring any work, models or pictures into school on Thursday.

**REMEMBER – Do as much or as little as you have time to – I’m not expecting grand master pieces!**

Look for images of the different songs from the Beatles. Can you make a collage?

Perform one of your favourite Beatles songs!

Create your own obstacle course at home to practise sports day!

Write an information page about your favourite band member from the Beatles.

Can you make a moving picture about your garden? Can you make something slide up and across?

### Dare to Dream!

Visit a local beach with your family. Take a picture of your sand castle!

Carry out jobs around the house. Can you raise some pocket money and save up to buy something?

Use lego or building toys. Give your friend instructions they must follow to build something. Where your instructions clear?

Have a clear out of all your old toys. Hold a garage sale for your old things. How much money can you raise?

**Don't forget your daily homework!**
