

Homework will be for this half term; the children are asked to bring one completed piece in every Friday to share with the class. Team points will be awarded for each piece completed.

Science-

Draw and label a skeleton. How many bones can you label? Do you know what they are used for?

Art

Select a piece of architecture from your local area and have a go at drawing it in your art book.

Music-

Write about your favourite band, musician or solo artist. Why do you like them?

Religious Education-

Research information on Diwali. Write 10 facts in your homework book.

PE-

Time yourself running 50m then try and beat it each week for the rest of the term. Make a table to record your scores in your homework book.

Year 3- This is me!

You can email any videos, pictures or work to Year3@anderton.lancs.sch.uk

French-

Greet your family members in French and write the greetings you used in your book.

Maths-

Go on Timetable Rock stars, set your score and then keep trying to beat it.

Each week there will be a star, highest earner, most improved and fastest rock speed.

Geography

Go and explore our local landmarks and take pictures to send to class. Write a description about where you went, draw a picture or even make a model of it.

English-

Write a short story including a trick you could play on someone. Don't forget to add a range of adjectives.
