

English

Poem-we will be making our own shape/calligram poem about Christmas.

Fables- we will be reading a range of fables for the children to write their own.

Persuasive letter/poster- Children will be writing a letter/ creating a poster to persuade children from school to come and listen to our poems.

Maths

Recapping place value

Adding and subtracting

Multiplication and division

Computing

Online Safety The children will learn how to log on and the importance of keeping their usernames and passwords private.

Touch Typing- Year 3 will be learning how to touch type on the computers.

RE

Christianity God

This unit enables pupils to examine the Christian belief. The focus is on the presence of God incarnate in Jesus. Opportunities are provided for pupils to explore evidence of God's presence and humankind's response to this and to link this with consideration of evidence of and response to examples of significant presence in pupils' lives.

Science

Lights and Shadows

The children will be learning about natural and man-made light sources and how we create shadows and reflections.

Anderton Primary School

Autumn Term 2

Year 3

Lights, Camera, Action!

Music

It's a Surprise!

This Year, we have tried something new but it's a surprise!!!

PE

Gymnastics -

We will be learning different gymnastic positions, making a range of balances with a partner, focusing on trust and making sequences. We will also be learning how to roll and jump safely.

Design Technology

Photo frames.

The children will be researching different photo frames and the different types of materials used to make them. They will then plan, design and create their own photo frame.

PSHE

Core Theme- Keeping/Staying Safe

We will be learning how to keep ourselves and others around us safe. Alongside identifying who is a trusted adult.

History

The Local History

We will be researching a range of local history facts including the story of local lad, Joe Davies of WWII
