

Year 1 Homework Activities

Spring Term 1

These are ideas that you can complete with your child to support their learning linked to our topic in school. Please sign and date each one as you complete them. Please bring any work, models or pictures into school on Thursday.

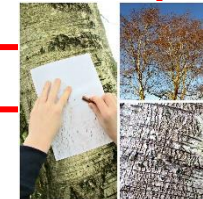

REMEMBER – Do as much or as little as you have time to – I’m not expecting grand master pieces!

Draw a picture of your pet, can you label the parts of the body?

Go on a walk and make bark rubbings of different trees you find.

Research dinosaurs, print or draw your favourite one.

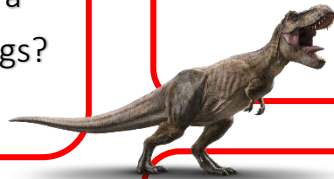

Write a description of an imaginary animal. How many adjectives can you use?

Go on a walk and look for signs of Spring. Can you write a list or make a collage of your findings?

**Extinct, Endangered,
Existing!**

Make a pictogram of your family’s favourite pets.

Research Mary Awning, can you tell me one fact you can remember?

Design/ make a mystery egg laid by an animal! What could be inside?

Ask your family and friends why you are kind. Can you present their reasons in an exciting way?

Don't forget your daily homework!

**Reading
Spellings**
