

Year 1 Homework Activities

Spring Term 2

These are ideas that you can complete with your child to support their learning linked to our topic in school. Please sign and date each one as you complete them. Please bring any work, models or pictures into school on Thursday.

REMEMBER – Do as much or as little as you have time to – I’m not expecting grand master pieces!

Draw and label plants that you find in your garden.

Try a new fruit or vegetable, tell me what you thought of it.

Create a picture of an imaginary plant.

Plant your own sunflower, measure how tall it grows.

Design and make your own seed packet. Don't forget to include instructions!

My Big Blue Planet!

Why were palm leaves important in the Easter story? Make your own palm leaves.

Don't forget your daily homework!

**Reading
Spellings**

Create a poster about how we could respect our new allotment in school.

Give some flowers as a present, how does it make them feel?

Go on a walk to the park or woods, create a list of the plants and trees you find.
